

**Introduced by Senator Cedillo**

February 22, 2005

---

An act to add Section 14607.9 to the Vehicle Code, relating to vehicles.

**LEGISLATIVE COUNSEL'S DIGEST**

SB 675, as introduced, Cedillo. Vehicle forfeiture: safe transportation.

(1) Existing law authorizes a peace officer to either immediately arrest a person and cause the removal and seizure of the vehicle he or she was operating or, if the vehicle is involved in a traffic collision, cause the removal and seizure of the vehicle, without the necessity of arresting the person, if the peace officer determines that the person was driving the vehicle while his or her driving privilege was suspended or revoked or without having been issued a license. Existing law subjects a vehicle to forfeiture as a nuisance if it is driven on a highway by a driver with a suspended or revoked license, or by an unlicensed driver, as specified. Existing law requires a vehicle to be impounded if its driver is unable to produce a valid driver's license, except as specified.

This bill would require that the peace officer that causes the vehicle to be seized and impounded pursuant to those provisions provide safe transportation for the driver and passengers, as specified, to an operating point of public transportation, as defined, or the place of residence of the driver, whichever is closer to the point of seizure. Because this bill would expand the duties and scope of an existing law enforcement impoundment and forfeiture program, this bill would impose a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state.

Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 14607.9 is added to the Vehicle Code,  
2 to read:  
3 14607.9. A peace officer that seizes a vehicle pursuant to this  
4 Section 14602.6 or 14607.6 shall provide or cause to be provided  
5 safe transportation for all persons traveling in the vehicle who are  
6 not arrested to an operating point of public transportation or the  
7 place of residence of the driver, whichever is closer to the point  
8 of seizure. His or her right to transportation pursuant to this  
9 section may be waived. An “operating point of public  
10 transportation” means a bus station, subway station, or train  
11 station on a route operating within one hour of the time a peace  
12 officer leaves a person at the station.  
13 SEC. 2. If the Commission on State Mandates determines that  
14 this act contains costs mandated by the state, reimbursement to  
15 local agencies and school districts for those costs shall be made  
16 pursuant to Part 7 (commencing with Section 17500) of Division  
17 4 of Title 2 of the Government Code.
